

GOLDBERG BROTHERS HANDRAIL BRACKETS

Get your handrails well in hand.

Stairway handrails need sturdy wall-mounting brackets for best performance, durability, and safety. Goldberg Brothers handrail brackets get the job done and look great, too, with a style inspired by our award-winning barn door hardware.

< ADJUSTABLE HANDRAIL BRACKETS

Our two-piece, adjustable handrail bracket is made from $1\frac{1}{2}'' \times \frac{3}{16}''$ steel. The top flange can be tilted to match the angle of your stairway.

FIXED HANDRAIL BRACKETS >

The top flange of our one-piece fixed handrail bracket is horizontal for use on landings or anywhere else you need a level handrail.

- Four colors: Matte Black Texture, Jacob's Gold, Silver, Bronze Texture
- Four contours: Round Corners, Radius Wings, Square, Full Radius
- $\frac{3}{4}''$ by $1\frac{1}{2}''$ tilting or fixed top flange attaches to any size or style of wood handrail
- Includes two wood screws and two lag bolts
- Load limit: 500 lb each

Adjustable handrail bracket

Fixed handrail bracket

Four colors and four contours
